

Consultation on the Prescription Drug List: Ibuprofen

The purpose of this Notice of Consultation is to provide an opportunity to comment on the proposal to switch certain uses of Ibuprofen to non-prescription status for human use by modifying the Human Prescription Drug List (PDL). The Veterinary List will remain unchanged.

A [question-and-answer document](#) has also been created to explain some of the changes to the new Prescription Drug List and the administrative process for assigning prescription status.

How to Get Involved

This consultation is open for comment until **December 16, 2015**. Please read through the information provided in the link below titled “Consultation Document”. Once read, please submit your comments via email, facsimile or by mail to:
