COMMISSION DELEGATED REGULATION (EU) .../...

of **XXX**

amending Delegated Regulation (EU) 2020/427 as regards the date of application of the amendments to certain detailed production rules for organic products in Annex II to Regulation (EU) 2018/848 of the European Parliament and of the Council

(Text with EEA relevance)

EXPLANATORY MEMORANDUM

1. CONTEXT OF THE DELEGATED ACT

Following the recent postponement by one year of the date of application of Regulation (EU) 2018/848 of the European Parliament and of the Council on organic production and labelling of organic products, it is necessary to amend the date of application of the acts based on that Regulation. For Commission Delegated Regulation (EU) 2020/427 amending Annex II to Regulation (EU) 2018/848 as regards certain detailed production rules for organic products, the date of application needs to be modified from 1 January 2021 to 1 January 2022. Producers need to have legal certainty on the new rules that will apply and the Member States need to have enough time to integrate these new rules into their national legislation.

2. CONSULTATIONS PRIOR TO THE ADOPTION OF THE ACT

There is no need for consultation as this is merely an alignment of date of application with the date of application of the basic act.

3. LEGAL ELEMENTS OF THE DELEGATED ACT

This delegated act provides for an alignment with the new date of application of Regulation (EU) 2018/848, hence it modifies only the date from 1 January 2021 to 1 January 2022.
