Product Identifier

SRM Number: 2460a
SRM Name: Standard Bullet Replica

Under the U.S. Department of Labor, Occupational Safety and Health Administration (OSHA) 29 CFR 1910.1200, this Standard Reference Material (SRM) is NOT classified as a physical hazard or a health hazard, a simple asphyxiant, combustible dust, pyrophoric gas, or hazard not otherwise classified. There are no hazard pictograms, hazard statements or signal word associated with it. Safety Data Sheet information is not required. This document may be used in conjunction with your hazard communication program. Articles are exempted per 1910.1200(c).

Description: Standard Reference Material (SRM) 2460a is a bullet signature standard comprising bullet profile signatures of six Land Engraved Areas (LEAs) from fired bullets. It is intended primarily for use as a check standard for forensic laboratories to help verify that the computerized optical equipment for bullet imaging and profiling is operating properly to measure bullet signatures. A unit of SRM 2460a consists of a nickel and gold-coated SRM standard bullet replica that is mounted on a plastic holder.

Disposal: SRM 2460a should be disposed of in accordance with local, state, and federal regulations.

Transport Information: This material is not regulated by the U.S. Department of Transportation (DOT) and/or International Air Transport Association (IATA).

Disclaimer: The NIST information in this document is specific to the NIST product and is believed to be correct, based upon our current knowledge. This document may not necessarily be all inclusive and should be used only as a guide. NIST does not guarantee the accuracy or completeness of this information. The only official source for specific values and uncertainties is the certificate or report.

Users of this SRM should ensure that this document and the corresponding Certificate in their possession are current. This can be accomplished by contacting the SRM Program: telephone (301) 975-2200; e-mail srmmsds@nist.gov; or via the Internet at https://www.nist.gov/srm.
